

What the children have been working on:

Mulberry have been learning the classic tale, which we all know and love: The Hungry Caterpillar. You can see here how Freya, Harry, Dean, Summer and Louise made some lovely caterpillar models, pop up flower pots and tiny story boxes:

Year 3 and 4 are learning about David Hockney in their current unit of art work. They have just investigated his life, style, work and influences and they will soon be creating their own art piece inspired by him. Here you can see the research presented by Pearl and Thomas:

Sports report:

The Year 5/6 Tag Rugby Team took part in a Rugby Festival on Tuesday. Lots of schools from across Essex took part and they finished the tournament in a brilliant 9th place. The children played fantastically as a team and showed excellent sportsmanship throughout. Well done to all who took part!

Well done year 6!

We were so proud of our Year 6 children during the SATs! They were calm, resilient and worked so hard. We were also very grateful to our Year 5 pupils, who were supportive and flexible whilst we were completing the assessments. The results don't arrive until July but in the meantime, we have plenty of exciting projects to be working on such as beginning rehearsals for this year's end of term production.

FOSP update

Our new 23 Challenge is about to begin and this is all about coming up with creative ideas to get sponsored in order to raise money for the school. This will start on 23rd May and the children have 23 days to raise £23, with the challenge ending on 14th June.

We have a JustGiving account and sponsorship money can be donated here or you can use it to help your child to set up a fundraiser: <https://www.justgiving.com/f-o-s-p>.

THIS FRIDAY is a new non-uniform day - all proceeds will be going to the pre-school for their replacement shed. There will be no rules about what they should wear, just whatever the children feel comfortable in.

The scarecrow trail will be running throughout halfterm. Maps will be on sale soon at Bakealicious and there will be a pizza pop-up.

June sees the return of the Father's Day stall - pre-pay will be available soon and the dates for the stalls will be Friday 9th and Thursday 15th June.

We are also busy preparing for the new starters joining St Peter's in September! There will be an information evening at school and a fun social for all the children and their parents to go to in the village hall.
