

World Book Day

As usual, we had some fabulous costumes, art work and activities to celebrate World Book Day. Here is just a sample of some of the things seen at school on the day:

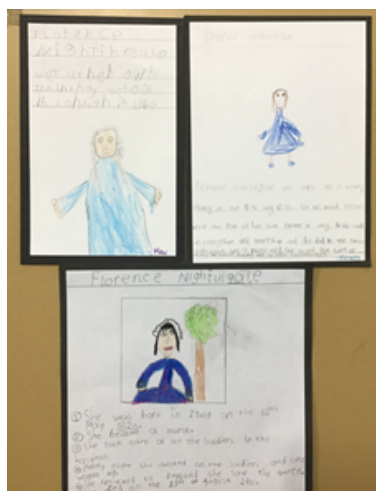

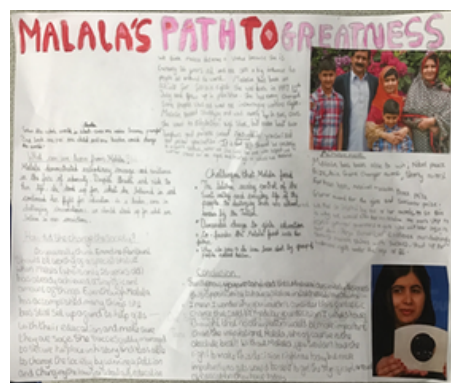

We hope you managed to exchange your WBD vouchers for some lovely new books to add to personal collections.

History Day

This week the whole school have been investigating some significant women in history to celebrate International Women's Day. Children have read books, made planes, completed double page spreads and PowerPoints to be used in debates. The children have met this challenge with enthusiasm and the standard of the work completed has been outstanding.

Children have been researching significant individuals such as Elizabeth Blackwell, Emmeline Pankhurst, Rosa Parks, Florence Nightingale, Malala Yousafzai and many more. Here is a sample of some of the work, that has been produced:

Thank you to all the staff and children who have made this a memorable event.

Sporting Events

Members of the KS2 Cross-Country team went to Halstead last week to compete in a (very soggy and muddy!) multi-school event. Despite the rain, the competitors showed great endurance and finished in a variety of rankings but they all showed determination and resilience on a touch course with lots of inclines and slippery conditions.

Well done to all 30 participants!

Chewing Gum

We have noticed that several children have been chewing gum in school. Please note that chewing gum is not allowed in school - it might be best for children not to bring it in to school at all, to help them avoid the temptation of using it during the school day.

Thank you for your support with this.
